

Installed Sales Labor Warranty

Revised July 19, 2021

CVP offers a labor warranty for a period of 12 months from date of install. During this period, we will assess and resolve any issues arising from the installation of a CVP window or door project at no charge. This coverage does NOT extend to issues caused by acts of nature, abuse, normal wear and tear, or environmental/physical changes to the structure.

This warranty covers installation only. All products/materials are covered under their respective product warranties.
